

Ambassador Meeting Minutes June 3, 2015

Present: Jessica Folk, Carol Lee, Karolyn Torres, Deb Ward, Alana McNary,
Mandi Hursh, Bruce Carslowey, Kathy Reed

Staff: Susie Carson and Vicky

- 1) Ambassadors began to share the businesses they had visited, and then we had a discussion that some people were not aware of who they were supposed to visit and about the lists that we've had and developed several times, and it felt like we were revisiting the same point several times.
 - a. It was decided that everyone would email Jessica whom they have seen so far, and we could develop from that point. Jessica will then cross reference with Susie's membership list, and it will give us a point to continue from.
- 2) Susie has a list of current members whom have not paid their membership dues for 2015. Ambassadors agreed to divide the list and these are priority to visit, discuss the member benefits and see if they want to continue being members of the Chamber.
 - a. Our goal is to have this completed by next month. Vicky is making more packets for everyone and will send out an email when they are completed, so everyone can stop by and pick them up.
- 3) Plan of action discussed for 2016 is that Ambassadors will assist Susie from the beginning of the year in distribution of decals.
- 4) There are 7 businesses that Susie had remaining for 2015 that needed their decals. They were divided and will be distributed.
- 5) Coffee chat is next week at Kirby Morris funeral home.
- 6) Don Don Hattan Hattan joined the Chamber this morning. They are going to have their open house on June 20th. It will begin at 9:00 a.m., a ribbon cutting at 10:30 a.m., and they are serving hot dogs and hamburgers at 11:00 a.m. Susie will get this in the MMN and also do an invite to all members. We want to have a presence for the Chamber for the ribbon cutting. Some who may be able to attend are: Kathy, Alana, Carol, and Karolyn.
- 7) Deb discussed other opportunities within the Chamber and discussed the Car Show Committee as they need more participants and asked for volunteers.

Adjourned: 1:00 p.m.
